Versatile Engineering Graduate with hands-on experience in graphic design, web development, and production engineering. Skilled in creating digital solutions, managing design projects, and developing responsive websites. Passionate about combining creativity with technology to deliver impactful results, and open to opportunities across industries.

Willing to relocate: Anywhere

Work Experience

Front End Web Developer

Codeshall - StartUp-Palakkad, Kerala

Freelance

December 2024 to Present • Freelance

Worked as a freelance Front End Web Developer at Codeshall – StartUp, contributing to the design and development of responsive, user-friendly websites. Built and optimized web pages using HTML, CSS, JavaScript, and modern frameworks. Collaborated with clients and team members to transform ideas into functional websites, ensuring cross-browser compatibility and performance optimization. Focused on creating clean UI/UX designs and delivering projects within deadlines.

Production Engineer

Dewton-Kochi , Kerala

Full-time

September 2024 to March 2025 • Full-time

Worked as a Production Engineer at Dewton, an LED manufacturing company, responsible for overseeing production processes and ensuring smooth operations. Monitored daily manufacturing activities, maintained quality standards, and coordinated with the production team to meet targets. Assisted in process optimization, troubleshooting technical issues, and supporting the assembly and testing of LED products. Gained hands-on experience in production planning, resource management, and maintaining workplace safety standards.

Education

B.Tech in Electrical and Computer Engineering (B Tech (Bachelor of Technology))

TOCH INSTITUTE OF SCIENCE AND TECHNOLOGY, ARAKKUNAM, KOCHI-Kerala

Full-time | June 2020 to June 2024
