EXPERIENCE

Bandhani The Ethnic Store

March 2025 – Present

Web Developer

- Independently developed and customized a e-commerce website for Bandhani The Ethnic Store, ensuring a responsive and user-friendly design.
- Implemented key features including WhatsApp chat integration, product collections, and custom UI components
- Collaborated with the client to understand requirements, deliver tailored solutions, and enhance overall user experience and store functionality.

One Aim IT Solutions

September 2024 – February 2025

Full Stack Developer Intern

- Collaborated with cross-functional teams to develop web applications using the MERN stack, improving overall development efficiency and team coordination.
- Adapted quickly to new technologies and evolving project requirements, demonstrating strong problem-solving skills and a proactive learning attitude.

PROJECTS

Vastra | React, Node.js, Express.js, MongoDB, Tailwind CSS

Feb 2024 – Apr 2024

- Built a responsive fashion e-commerce platform with a modern UI, supporting categories like Men, Women, Kids, Beauty, and Home Living.
- Implemented secure user authentication using JWT for Signup and Login, with separate access for users and admin.
