## Frontend Developer

midlajkmohammad@gmail.com | 6238 80 43 89 | Kochi | GitHub | LinkedIn

### PERSONAL PROFILE

Detail-oriented and results-driven Full Stack Developer with 2.4+ years of experience in designing and developing scalable, high-performance web applications. Based in Kochi, I specialize in the MERN stack (MongoDB, Express.js, React.js, Node.js) along with MySQL, and possess strong expertise in HTML5, CSS3, and modern JavaScript.

Proven ability to build responsive, user-centric interfaces and robust backend systems, with a strong focus on clean UI/UX, performance optimization, and maintainable code architecture. Adept at translating complex design concepts into functional, efficient solutions while collaborating effectively with cross-functional teams to deliver business-driven results.

Passionate about continuous learning, adopting emerging technologies, and delivering impactful digital products that enhance user experience and drive organizational growth.

### WORK EXPERIENCE

**Full Stack Developer, Bizpole** 08/2025 – Present | India

- Developed and maintained responsive web applications using the **MERN stack (MongoDB, Express.js, React.js, Node.js)** and MySQL, ensuring high performance and scalability.
- Designed and implemented clean, user-friendly UI components using **HTML5, CSS3, and JavaScript**, improving user experience and cross-device compatibility.
- API Development, Responsive Design, Performance Optimization, Authentication & Authorization, Scalable Applications, MVC Architecture

**Senior Frontend Developer, CVS Infosolutions, Infopark Kochi** 09/2023 – 08/2025 | Kochi

- Developed and maintained responsive web applications using React.js and Redux, resulting in a 25% increase in user engagement.
- Optimized website performance, reducing load time by 30% through code splitting and lazy loading.
- Developed custom, responsive websites using HTML5, CSS3, JavaScript, and WordPress, adhering to mobile-first design principles. Built interactive user interfaces with React.js, Tailwind CSS, Next.js, and Framer Motion to enhance performance and user experience.
