EXPERIENCE

Harvee Designs, Front-End Developer

Feb 2024 - Present

Developed and deployed 50+ responsive, SEO-friendly websites using HTML5, CSS3, JavaScript (ES6+), and React.js, improving site visibility and load speed. Converted client requirements into scalable front-end solutions, increasing project delivery efficiency by 25%. Collaborated with UI/UX designers and back-end developers to integrate RESTful APIs, ensuring seamless client-server communication. Conducted code reviews, testing, and debugging, ensuring functionality, scalability, and cross-browser compatibility. Enhanced performance using lazy loading, script minification, and browser caching, reducing load time by 30%. Delivered high-quality projects that improved client satisfaction by 40%, leading to repeat business and referrals.

Smartcliff Technologies, MERN Stack Trainee

Jun 2023 - Nov 2023

Designed and developed a Learning Management System (LMS) using the MERN stack (MySQL, Express.js, React.js, Node.js). Created and consumed RESTful APIs, implemented JWT authentication, and developed secure CRUD operations. Optimized application scalability through MySQL indexing and Express middleware tuning. Strengthened full-stack development skills through project-based learning, debugging, and testing practices.

EDUCATION

P. A. College of Engineering and Technology

Bachelor of Engineering • **Mechanical Engineering**

P. A. Polytechnic College

Diploma • **Mechanical Engineering**

Kids Park Matric. Hr. Sec. School

SSLC

LICENSES & CERTIFICATIONS

MERN Stack Certification

N-School Academy
