### PROFESSIONAL SUMMARY

Computer Science graduate with skills in JavaScript, Node.js, React, and MongoDB. Experienced in building full-stack applications and REST APIs. Seeking entry-level software developer role.

### SKILLS

JavaScript, Node.js, React.js, Express.js, MongoDB, HTML5, CSS3, Git, GitHub, Postman

### PROJECTS

#### Complaint Management System:

- Developed a Complaint Management System using the MERN stack(MongoDB,Express.js,React.js, Node.js).
- Implemented core functionalities including complaint registration, status tracking, and user management.
- Designed a responsive and intuitive user interface using React.js for improved user experience.
- Built and integrated RESTful APIs to enable efficient communication between frontend and backend.
- Tested and validated APIs using Postman, ensuring reliable performance, proper error handling,and successful deployment.

#### Library Management System:

- Implemented functionalities for book inventory management, user records, and issue/return tracking.
- Designed a responsive and intuitive user interface using React.js.
- Created and integrated RESTful APIs for smooth data flow between frontend and backend.
- Tested backend services using Postman to ensure accuracy, reliability, and proper error handling.

#### Portfolio Website:

- Developed a responsive portfolio website using HTML, CSS, and JavaScript to showcase projects and technical skills.
- Designed a clean and user-friendly interface ensuring compatibility across mobile, tablet, and desktop devices.

### EXPERIENCE

#### Web Developer Intern (2 Months) | Jan 2026 – Feb 2026

- Developed a Canteen Management System using Node.js and React to streamline billing and transfer,production management.
- Developed features for product handling, billing generation, and sales tracking.
- Built and integrated RESTful APIs to connect frontend and backend, ensuring smooth data flow.
- Enhanced application performance and responsiveness for efficient usage across devices.

### EDUCATION

MCA Computer Applications, CGP - 7.8, RVS College of Arts & Science,(2024 to 2026)

BSc Computer Science , CGP - 8.4, Bharathiyar University, (2021 to 2024)

### CERTIFICATIONS

Java Fundamentals | Python Basics

### DECLARATION

I hereby declare that the above information is true to the best of my knowledge.
