SKILLS

Operating Systems: Windows 10, macOS

Networking & Internet: TCP/IP, DNS, HTTP/HTTPS, REST APIs, Network troubleshooting basics

Cloud Technologies: AWS (EC2, IAM, S3, RDS) — Cloud Fundamentals

Productivity & Tools: MS Office (Word, Excel, Outlook, PowerPoint), Git, GitHub, Postman, VS Code

Programming & Development: Python, JavaScript, HTML/CSS, SQL, Node.js, React.js, Express.js, Bootstrap

Soft Skills: Excellent verbal & written communication, analytical thinking, problem-solving, customer service orientation, teamwork, adaptability to shift-based work

TRAINING & COURSEWORK:

Nxtwave

Hyderabad, Telangana

Full Stack MERN Developer Trainee (BootCamp/Training)

Feb 2025 - Nov 2025

- **Built responsive frontend clones** of real-world websites like Zerodha using HTML, CSS, and Flexbox while simultaneously learning React.js to modularize UI components and enhance interactivity.
- **Developed backend logic using Node.js and Express.js** to handle server-side operations, and practiced integrating routes, middleware, and APIs into full-stack projects.
- **Built and developed applications using React.js**, creating modular and reusable components, implementing state management with hooks and props, integrating APIs, and designing fully responsive UI layouts.

PROJECTS

Nxt Watch – React Video Streaming Platform - [Link](#)

Hyderabad, Telangana

Full Stack MERN Developer Trainee

Sep 2025 – Oct 2025

- Built a **video streaming application** using **React.js**, **React Router**, and **Styled Components**, implementing routes like Login, Home, Trending, Gaming, Saved Videos, and Video Details.
- Implemented **JWT-based authentication** with **protected routes**, ensuring secure access control and seamless redirection using **Cookies** and **React Router**.
- Integrated multiple **REST APIs** and handled **loading, success, failure, and empty states** using conditional rendering and reusable UI components.
- Managed **global state** with **React Context API** for **theme toggling (Light/Dark)** and **saved videos**, and implemented video interactions using **React Player**.

Zerodha Landing Page Clone - [Link](#)

Hyderabad, Telangana

Full Stack MERN Developer Trainee

Jun 2025 – July 2025

- **Recreated Zerodha's landing page UI** using HTML, CSS, and Flexbox, replicating a real-world product interface with semantic structure and responsive design principles.
- **Implemented dynamic layout components** such as navbar, hero sections, pricing blocks, and multi-column footers with interactive elements powered by Font Awesome.
- Focused on clean design and mobile responsiveness, ensuring consistent user experience across devices while aligning with professional frontend development standards.

ACTIVITIES AND LEADERSHIP

TKR College of Engineering & Technology

Hyderabad, Telangana

Campus Leadership & Contributions

2020 – 2023

- **Organized 6+ major college events** as Fest Coordinator, handling end-to-end planning, logistics, and coordination for audiences of 200–500 students.
- Achieved **939th rank** in ECET and awarded a **full Telangana Government Scholarship** covering all 3 years of B.Tech at TKR College of Engineering and Technology.

EDUCATION

TKR College of Engineering & Technology

Hyderabad, Telangana

B. Tech – Electrical and Electronics Engineering

2020 – 2023 | CGPA: 8.1/10

Government Polytechnic College, Nizamabad

Nizamabad, Telangana

Diploma – Electrical and Electronics Engineering

2016 – 2019 | Percentage: 75%
