

# MUHAMMAD ASIM

☎ 8086499282 ✉ [asimvyl@gmail.com](mailto:asimvyl@gmail.com) 📍 Calicut

## SUMMARY

- Python Developer with 2 years of experience in web development.
- Skilled in Python, Django, Django REST Framework, and SQL.
- Experienced in Vue.js and React.js with strong working knowledge of HTML, CSS, and JavaScript.
- Experienced in building and consuming RESTful APIs.
- Strong understanding of database design and query optimization.

## SKILLS

**Programming Languages:** Python, JavaScript, SQL

**Frameworks & Libraries:** Django, Django REST Framework (DRF), Vue.js, React.js, Jest, ApexCharts, Leaflet.js

**Databases & Tools:** PostgreSQL, Apache Superset

**Version Control:** Git

## WORK EXPERIENCE

### Freelance

Jun 2025 – Present

#### Full Stack Developer

- Building personal and freelance projects using **Python, Django REST Framework, and React.js**.
- Creating dashboards, APIs, and small web tools for learning and client work.

### Vuelogix Technologies

Jan 2024 - May 2025

#### Full Stack Developer

- Developed and maintained full-stack web applications using Python, Django, and Django REST Framework.
- Implemented interactive dashboards for Access Control, multi-site and single-site CCTV, and RTU modules using APIs, ApexCharts, Quasar, and Leaflet.js in Vue.js.
- Designed and implemented reusable code components such as API call handlers, export methods, and notification modules, reducing development time for new features.
- Created unit tests with Jest to improve code quality and ensure application stability.
- Integrated Apache Superset dashboards for data visualization.

### IPCS Global

Feb 2023 - Dec 2023

#### Software Engineer

- Developed and maintained full-stack web applications using Python, Django, Django REST Framework, and JavaScript.
- Built and integrated RESTful APIs, enabling efficient communication between front-end and back-end systems.
- Utilized NumPy, Pandas, and Matplotlib for basic data analysis and visualization tasks.
- Mentored and guided fellow interns, assisting them with coding practices and project tasks.

### Regal AMPM

Feb 2020 - Mar 2022

#### Manager

- Supervised daily operations of a high-volume fuel station, ensuring smooth and efficient service.
- Achieved the second-highest diesel sales in the Kerala region in 2021.

## EDUCATION

### Bachelor of Computer Applications

Yenepoya University

### Bachelor of Business Administration

Jun 2016 - Nov 2019

Bharathiar University

## CERTIFICATIONS

### Python Full Stack Developer

Quest Innovative Solutions

## TRAININGS

- Python & Django Full-Stack Development Training, Quest Innovative Solutions, Mar 2022 - Dec 2022, Completed structured training in HTML, CSS, JavaScript, Python, Django, Django REST Framework, SQL, and Git. Built guided projects, including web applications and RESTful APIs using Python and Django. Practiced version control and collaborative workflows using Git.
