- Malayalam (Native)

PROFILE

Full Stack Developer skilled in building scalable, responsive, and secure web applications. Experienced with modern frameworks including React, Angular, Next.js, Svelte and Node.js, and strong in database management using PostgreSQL and MongoDB. Proven ability to deliver high-quality, user-focused products from concept to deployment. Passionate about clean and readable architecture, reusability, and performance optimization.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript (ES6+), TypeScript, React, Next.js, Angular, Svelte

Backend: Node.js, Express.js, RESTful APIs, Prisma, JWT Authentication

Database: MongoDB, PostgreSQL, MySQL

Tools: Git, GitHub, GitLab, Postman, Figma, Penpot, Bruno, AWS

Concepts: Responsive Design, State Management (Redux, NgRx), CI/CD, Agile Development

WORK EXPERIENCE

Bedrock Foundry

Jul 2025 - Sep 2025

Frontend Developer Intern

- Designed and developed the company website using Svelte, improving site performance by 25% through efficient component reuse.
- Enhanced user experience via responsive layouts and optimized resource loading.
- Built a sample mobile app using React Native CLI, expanding cross-platform development skills.
- Contributed to the product platform's launch, ensuring smooth deployment and minimal UI bugs.

MCodeV

Mar 2025 - Jul 2025

Freelance Full Stack Developer

- Delivered two e-commerce platforms using React and Next.js, leading to a 20% increase in client online sales.
- Developed a secure banking application with Next.js and Prisma, ensuring smooth transactions and reliable data handling.
- Improved project turnaround time by 15% through streamlined communication and agile task management.
- Ensured scalability and maintainability through clean, readable architecture and code reviews.

FullStack Developer Intern

- Built and deployed multiple full-stack applications using Angular, integrating Node.js, MongoDB, and PostgreSQL backends.
- Refactored codebases and optimized APIs, reducing response times by 30%.
- Collaborated with a remote team of developers to design modular, maintainable architecture following Clean Code principles.
- Implemented secure authentication flows using JWT and bcrypt.

EDUCATION

Higher Secondary 2018 - 2020
PMSAMAHSS Chemmankadavu, Malappuram

SSLC 2018
PMSAMAHSS Chemmankadavu, Malappuram

ADDITIONAL STRENGTHS

- Strong collaboration and time management skills
- Adapt quickly to new frameworks and technologies
- Consistent record of delivering projects before deadlines
- Focused on simplicity, usability, and performance
